

Welcome CCP Students!

## You Now Have Free Access to Live Tutoring Online

eTutoring provides FREE ONLINE tutoring to students in a variety of subjects.

- One-on-one tutoring via web cam or e-chat is available in **Math** (Developmental Math up to Calculus), **Physics, Human Anatomy and Physiology, and Chemistry**
- **Writing tutors** are available to provide feedback on any writing assignment. (Papers will be returned with suggestions in 24-48 hours)
- Post questions to tutors during offline hours -open 24 hours a day.

### You are Now Registered to Use this Valuable Service

**USERNAME:** Same as your Sinclair username

**PASSWORD:** sinclair

\*Change your password immediately during your first log-on.
